Transition from School

Supporting teens (16 - 21 years) with physical and intellectual disabilities, mental health & autism, to explore their options for gaining volunteer work or employment during their last two years of school.

What We Do

We'll help you to explore what is available to you, once you leave school. This might include:

- Further employment education
- Employment
- Living and future flatting arrangements
- Contributing towards your community
- Accessing community services

The support we offer is flexible and built around your needs. Together with you, your whānau and your school, we will create a transition plan designed around your personal goals and ambitions.

How To Access This Service

You can be referred by your school, whānau or other agency, or you can contact us directly.

For More Information

Go to the **Transition From School** page on our website www.enrichplus.org.nz/transition-from-school

Call us on **0800 367 424** or

Email us at info@enrichplus.org.nz

We look forward to hearing from you!

"This service helped me to think about my future and gave me the opportunity to move on from school with confidence"
